---

AFI 36-2903, 8 June 1998, and AMC Supplement 1, 25 July 1997, is supplemented as follows. This publication applies to units and tenant units assigned to Dover Air Force Base, Delaware. Authority to publish is HQ AMC/DPPFQ Memorandum, 9 Jun 98. The purpose of this supplement is to continue the process of promoting uniformity and morale within the Eagle Wing. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

**SUMMARY OF REVISIONS**

This supplement incorporates changes as required by AFI 36-2903, *Dress and Personal Appearance of Air Force Personnel*, and *AMC Supplement 1 to AFI 36-2903*. It also contains updates to the Aircrew Flight Uniform, Organizational and Functional Clothing, Commonly Used, and Specialty Items.

**Table 1.1.**

Organizational and functional clothing is authorized for wear as prescribed in accordance with (IAW) **Attachment 1 (Added)** of this supplement and Allowance Standard (AS) 016, *Special Purpose Clothing and Personal Equipment*.

Military personnel assigned full time duties in club facilities, recreation centers, youth centers, bowling centers, golf courses, recreation workshops, and sports facilities are authorized the wear of civilian clothing as prescribed IAW **Attachment 3 (Added)** of this supplement.

Military personnel assigned full time duties in Health and Wellness Centers (HAWC) are authorized the wear of civilian clothing as prescribed IAW **Attachment 3 (Added)** of this supplement.

Military personnel assigned full time duties in the Air Mobility Command Museum are authorized the wear the Blue Coverall Uniform as prescribed IAW **Attachment 1 (Added)** of this supplement.

Military personnel assigned full time duties to the Transient Maintenance Flight are authorized to wear of civilian clothing as prescribed IAW [Attachment 3 \(Added\)](#) of this supplement.

#### **Figure 2.11.**

Note 3. Members assigned to the 436th Airlift Wing will wear the 436th Airlift Wing patch on the BDU shirt and jacket. The Wing patch will be attached to the left breast pocket, centered between the left and right edges, between the bottom of flap and bottom of pocket. If the member has an awarded duty badge (e.g., security forces, fire protection, or missile badge), the awarded badge will be worn instead of the Wing patch. No patches are to be worn above the name tape. (**NOTE:** For Maternity BDU place patches in same relative position.)

#### **Table 2.2.**

Line 6 (Men). Organizational/unit baseball caps are authorized to be worn as prescribed IAW [Attachment 4 \(Added\)](#) of this supplement.

Line 11 (Men). Organizational/unit T-shirts are authorized to be worn as prescribed IAW [Attachment 4 \(Added\)](#) of this supplement.

#### **Table 2.4.**

Line 6 (Women). Organizational/unit baseball caps are authorized to be worn as prescribed IAW [Attachment 4 \(Added\)](#) of this supplement.

Line 14 (Women). Organizational/unit T-shirts are authorized to be worn as prescribed IAW [Attachment 4 \(Added\)](#) of this supplement.

#### **Table 2.7.**

The Eagles Nest Picnic Area is designated as a “No-Hat” “No Salute” area. Areas which have been specified as a “No-Hat” area for safety reasons are listed in [Attachment 5 \(Added\)](#) of this supplement.

A1.7. The Gortex Parka and Pants, Camouflage are authorized for wear by loadmasters and flight engineers while performing flight duties in/around the immediate vicinity of their aircraft as prescribed IAW [Attachment 2 \(Added\)](#) of this supplement.

A1.9. The Stocking Cap, US Navy Watch Cap is authorized for wear as prescribed in [Attachment 1 \(Added\)](#) of this supplement.

A1.12. Squadron Specific Cloth Name Patches, 2” X 4” are authorized for wear as prescribed IAW [Attachment 2 \(Added\)](#) of this supplement.

A1.19. Organizational Scarves are authorized for wear as prescribed IAW [Attachment 2 \(Added\)](#) of this supplement.

A1.20. Instructor, Flight Examiner, Stan/Eval Flight Examiner Scroll (High Visibility) is authorized for wear as prescribed IAW [Attachment 2 \(Added\)](#) of this supplement.

**Attachment 1 (Added)****FUNCTIONAL CLOTHING, COMMONLY USED, AND SPECIALTY ITEMS**

**A1.1.** Cold Weather Safety Boots. Worn as prescribed by AS 016. May be worn with battle dress, service, and functional uniforms when an appropriate outer garment is worn.

**A1.2.** Boots, 10-inch Safety. Worn as prescribed by AS 016. Worn with the battle dress and functional uniforms.

**A1.3.** Brassards (Red or Blue). Worn by Aircraft Crew Chiefs (ACC) while performing duties on the flight line. Worn on the left sleeve half way between the shoulder and elbow.

**A1.4.** Cap, Stocking (US Navy Watch Cap). Worn as prescribed by AS 016. Worn with the battle dress, functional, and aircrew flight uniforms. Worn as appropriate for climate conditions between 1 October and 30 April. Cap will be worn squarely on the head in a manner that conforms with the natural shape of the head.

**A1.5.** Cap, Winter, Olive Green. Worn as prescribed by AS 016. Officer grade insignia is not required if other grade insignia is visible. When worn, officers will wear regular size metal grade insignia centered on the front, unless prohibited for safety reasons. Worn with battle dress and functional uniforms.

**A1.6.** Coveralls (White, Olive Green, Tan, Blue and Camouflage). Worn as prescribed by AS 016. Worn in the work area only. Worn with the battle dress and functional uniforms.

**A1.7.** Gloves, Safety and Occupational. Worn as prescribed by AS 016. Worn with the battle dress and functional uniforms.

**A1.8.** Gortex Parka and Pants, Camouflage. Worn if authorized issue through local organizational channels. Worn as prescribed IAW AS 016 and Chapter 3, paragraphs 3.1 and 3.1.2 of the basic instruction. (Exception: Personnel will not sew or attach any item onto this parka that could damage its waterproof integrity.) Worn with the battle dress, hospital and service white uniforms. (Exception: May be worn by loadmasters and flight engineers IAW **Attachment 2 (Added)** of this supplement.) Officer and enlisted personnel will wear subdued metal grade insignia centered on the front tab. (NOTE: Enlisted subdued metal grade insignia will be worn immediately upon availability of all ranks through local supply channels.)

**A1.9.** Subdued Nylon Ear Defenders Carrying Straps. Worn in the industrial area. The industrial area is defined as the members immediate work area where ear protection is required. (Exception: Use of the strap is authorized when operating equipment outside the work area, i.e. forklift drivers, pneumatic tool operators.) Worn with the battle dress and functional uniforms, i.e. coveralls. Worn on the belt.

**A1.10.** Restricted Area Badge Arm Band Holder (Red, Blue, Green, and Black). Authorized for wear inside restricted areas when displaying restricted area badges

**A1.11.** Parka (Extremely cold weather garments, except the Gortex Parka). Authorized to be worn if issued through local organizational channels. Worn IAW Chapter 3, paragraphs 3.1 and 3.1.2 of the basic instruction and AS 016. Grade insignia, USAF and name tapes, badges, and emblems will not be worn. May be issued upon request and with the physician's confirmation to pregnant women during inclement weather. Worn with the battle dress, service, and functional uniforms. Not authorized for wear with the aircrew flight uniform during flight.

**A1.12.** Sweatbands. Elastic cotton stretch material, solid gray, black, or olive green without design. Worn by flight line members when wear of authorized headgear is deemed inappropriate. Worn with the battle dress uniform on the flight line only

**A1.13** Sleep-shirt. The green or brown long-sleeve sleep shirt without pockets is authorized to be worn as an undershirt.

**A1.14.** The blue coverall uniform worn by Transient Maintenance personnel can be a long or short sleeved configuration. A blue web with satin finish belt buckle will be worn. High visibility accouterments will be placed using established guidelines as shown in AFI 36-2903 Fig 2.11 for the Battle Dress Uniform. A black undershirt along with black boots and a blue organizational baseball cap will be worn.

**Attachment 2 (Added)****AIRCREW FLIGHT UNIFORMS**

**A2.1.** Flight Suit. Authorized for wear as the duty utility uniform for members on flying status. Worn IAW AMC Supplement 1 Attachment 1.

**A2.2.** Flying Jackets. Worn as prescribed by AS 016 and IAW Attachment 1 of the AMC Supplement 1 to AFI 36-2903, *Dress and Personnel Appearance of Air Force Personnel*.

**A2.3.** Squadron Specific Cloth Name Patches. The colors authorized for wear at Dover AFB are as follows:

<b>UNIT</b>	<b>BORDER COLOR</b>	<b>LTR/WING COLOR</b>	<b>BACKGROUND COLOR</b>
436 AW Staff	White	Pewter	Royal Blue
436 OG Staff	White	White/Silver	Royal Blue
3 AS	Blue	White/Silver	Red
9 AS	Gold	White/Silver	Royal Blue
